HTML
American Sign Language

experience

UI Designer September 2011 - January 2012
Workinman Interactive LLC, Rochester, NY
Design iPad and iPhone app interfaces and graphics for child storybooks. Mainly the interface around the story pictures, and the aesthetics of the app were designed. Interact with the client directly via email and phone.

Designer June - August 2011
Luxurious Animals, New York
Redesigned ooVoo.com entirely; new style, new icons, with limited new content. Interacted with client for feedback. Relied upon to design sections and iconography for other projects in the shop. Idea brainstorming and creation.

Developer May - September 2010
RIT Web/IT ETC Production
Maintained over 15 individual sites simultaneously utilizing Javascript with jQuery, PHP, and MySQL.

Announcer/Assistant May - September 2010
RIT Athletics Game Management
The voice of RIT Basketball and other sports. Also filmed spring sports.

Farm Foreman January 2006 - August 2009
Ivy Rock Farms
"Making hay while the sun shines" and doing any job someone could imagine on an 80-horse farm.

education

New Media Design & Imaging
